"Keith Dover is one of the most innovative and talented artists I've had the opportunity of hearing. His works reveal a thoughtful, inspiring and multi-dimensional brand of musicianship. He is truly one of the best in the robust Portland music scene."

-Barry P. Martin, Proprietor, Blue, Portland, ME

"Keith's dynamic performance brings the audience along for quite a ride. From his percussive, driving guitar to his masterful vocals and humorous patter, Keith entertains and energizes through his music."

-Anna Maria Tucci, Proprietor, North Star Music Cafe, Portland, ME

"...his album 'A Pocket of Euphoria' is just full of gems...He is sure to be a legend someday. We watched him perform live for two hours last weekend and were totally blown away. He is a true artist, lyricist, storyteller, and extraordinary guitarist. He touches the heart and soul of every listener. And the man is so humble about it. I'm promoting his music as much as I can because he so deserves to be heard. I can't say enough."

-Mary "Ukelady" Hargraves, Host of "Mainly Acoustic" NPC-TV, Norway ME

"Keith is an ultra-talented Maine native who writes phenomenal songs and sings them with style and heart"

-Elizabeth Schoch, Freelance Writer, Falmouth, ME

"Keith is one of the most dynamic and engaging performers in the Portland area, and his songs hold a richness and depth, melodically and lyrically, that few local musicians attain -especially with just a guitar and vocals!"

-Laura Mass, Singer/Songwriter, Portland, ME
